SANTA STOCKS-UP

Have you bin norty or nice ? Well, it seems the other RED person, no, not RED Mountain Boy, we's mean the North Pole Red man has paid us a quick visit leadin' up to the festive season, yep, Ol'Saint Nick, known as *Silverton Santa* because every year he calls into to pay a visit to Madam Lash's. (well everyone pays at the madam's joint!)

Mae Lash has a big heart, as well as udder things, & she stocks up on "you-no-wot's" for Saint Nickie to take back up north for the celebration. See, he looks after his *Little Folk* too ya'no.

His arrival woke our Sheriff up who was sleepin' one off behind the fence by the depot. Outlaw, Madam Lash & Barkeep along with Digger & his little red truck were there to meet Santa & present him with sum gold top DW's that a special train is taking from Silverton to his home -

"The Polar Beer Express" now loading in Silverton. Professor checked the books to make sure all the DW's were there, Laura Norda had her Windchester so'z nun of thar beer got pinched, Scoop wrote up the events & then Preacher fell on his knees!

"Wot's up Preacher"? asked Amanda Love. "To have to say farewell to all those DW's made me weak dear sister, its that much less for the church cumunion, that *'Stomped Grapes Wine'* Pianoman donated made Phyllis Upp & Lina Ginster puke all over the pews half ways throo ma sermin last Sundee. If the church don't serve DW's the congrogation won't cum no more" sez Preacher.

Sparky had the K-HON3 mobile truck there & the Singing Hobo's arrived to play Xmas songs & the whore'll town got into the festive swing. "Did sumbody say *swing*" sez Outlaw with a worried look on his face! There was no need for him to worry as Santa asked him to be here as Outlaw gives out the annual Silverton Alcoholic Presents (AP's) to all the old folk in the Peaceful Pinyon Rest Home for old railroad workers. Yep, this kind hearted citizen hands over a case of gold-top DW's each for them senior folk. He even opens every bottle for em' & pockets the tops to be tidy! Them whore'll San Juans were tuned in to their radios to listen to the festive celebrations & of coor's have a refreshin' DW while listening to Sparky chat away the news. When it cum time for Santa to have lunch down at the bordello the Outlaw brung-up his new limosine fur em' to ride on - what a great show-off this bloke is.

At Madam's Pleasure Palace the tables were covered & everything was layed out ready - the food we mean! Holly Day was in the festive mood & was helped by Edna May & May Nott serving the liquid lunch to the thirsty

mob, & Diana & her twin sister Anita Drink had baked some Red Mountain cookies as they wanted to let Santa know they'z bin extra good girls this year. Phil McCavity the dentist loves repairin' teeth after folk eat their cookies!

Rusty Buckett come in & told everyone the train was loaded & ready to go with all the DW's.

Even Chief 'Ten Beers' on his donkey injun come down to the depot to say farewell till Xmas day.

So, our friend left on the train headin' back to the north pole station with the rewards for the little folk who work for him. But he'll be back in time for Christmas to check on who's being naughty & vice. So wraps up this week in Silverton. The Outlaw's ridin back to his hide-out & the posse are git'in back to chasin' him now this special event is over.

Crikey, dares always sum'tin hap'nin in Silverton!

(Don't forget to send Santa ya' HON3 want list - Chat shirt, DW holder & that new injun)
