# OUTLAW in JAIL

You're readin'-rite! Flabergasted, this reporter can't believe it's finally happened. Yep the Outlaw Dude has bin captured by Hy Noone the Red Mountain Sheriff along with our own Sheriff Murphy who two-gether gathered the evasive scallywag whilst he was distracted at Wanda's where he was with the ladies & "Sinkhole Sally".

Sez Sheriff: "Shucks pardner, we dun kort him with his pants down, dats a fact, & now we'z locked him up in the jail". It jest so happened Snappy the Sub-Standard photographer caught the capture on his box brownie.

So, how did this come about you ask? Well the truth will be revealed & here is the *real* story. Now you know the story up to now with issue 45 at Ouray where the train was blown-up & the Outlaw used donkeys to pull a flatcar up the Million Dollar Tollway with the huge nugget onboard. Ya'see the Outlaw & Kid got to Ironton & stole another train (same ol-same-ol)! Here's a photo of them with the new train ready to leave Ironton. The highly trained attack

donkeys were mere pussys & couldn't stop the desperados stealin' the train. The whore'll area was full of Jackalopes too & them pesky wabbits were jumpin' about everywhere, why one even hopped up on the tender where he could watch all the action! The bandits thought they had escaped yet again & were headin' fer Red Mountain.

They arrived at Red Mtn & this is where Outlaw made his fatal mistake, yes his reputation as someone who was, well, to be hung, well, got him into trouble. The newly renovate "Wicked Wanda's" was to be his demise. The females are well known for temptations & hard drinkin' girls of the "sour-mash" moonshine & elixir famous around here. It was too much of a temptation so he rode up to the palace of pleasures thirsting for "you-no-wot" ! Yep, a cold DW served in his usual way!

The Posse arrived at Ironton & got there own locomotive with a bunch of them special Red Mountain tank cars the delivers the 'sour-mash' in the San Juan's. Sparky immediately got his radio workin' &

& contacted Sheriff Hy Noone & told him of the events. Barkeep told everyone to refill the empty DW bottles with the local brew - clever thinker that Barkeep & Brewer agreed. Professor & Scoop checked the maps & Toyman asked Inspector if he had ever tasted the local

brew - well he sez "have I"! Coor's he has, he's tested pretty much all there is to taste. Pianoman & Madam Lash joined with Spike to sing "Coming to get you" & the Mayor & Roody was keeping an eye out for them Jackalopes known to steal DW's. Snappy captured the moment & Chief Suntraxx & Minidekoda knew they were close to obtaining the Outlaw's scalp. Meanwhile Kid Durango got the train turned on the wye ready fer dare escape but then he saw Hy Noone & his deputy's & heard the posse's train a-cummin' up from Ironton - he panicked!

Hy Noone knowing of the brave & valiant Murphy, waited for his train to arrive so they could collar the Outlaw who by now was well into the temptations & unaware he was soon to be surrounded.

Myrtle, the Outlaw's whorse tried to warn the "Dude" but it was too late for that, the two Sheriff's had Wanda's covered with guns on the roof & all around the joint. The Outlaw's time had come...

"Stick-em up" sez the sheriff's as they enter. "I have" sez the Outlaw! The ladies all knew his time had come, they did ask if there was visiting hours at the jail & the Outlaw quickly sez "kin we make that one hour at a time fer each lady"? "Make that 2 hours for the Yankee Girl, she's mine favorite. You should have seen his face, surprise written all over it, in between the lipstick deposits.

And the smirk on the Sheriffs face said it all - boy was he glad to be escortin' the Outlaw into jail. Meanwhile the Kid's train with the stolen goods took off towards of all places, Silverton, where this adventure began those many months ago. Was he hopin' to slip back into town & return the Fourteener & the DW's & have the matter forgot about ? . . . .

The Kid, chased by one of them jackalopes – wabbits with horns, took ol’ RGS 461 out & up to Summit with Manuel Labor ridin’ up front & the gold nugget in tow.

Crikey, the Outlaw has bin captured. Who

would have thunk dis wood have happened? Here he is behind bars in the Red Mountain jail with both sheriff’s putting separate padlocks on the cell door to make sure he stays put.

**THE TRAIL OF USED DW's**

Looks like Christmas in jail fer our Mr Baddie. “Lits go & have a few DW's Hy Noone” sez our Murphy, “he ain't goin nowherez in a hurry”.

But we all know this bloke is tricky & twisted & we all know the gallows & the noose is a'waitin' him. They

telegraphed fer the judge, Laura Norder to come so they kin have a fast trial with a kangaroo present in court!

Hy Noone said it was easy to find the Outlaw, he jest followed the trail of empty DW bottles to Wicked Wanda's bordello. The gallows was ready, it was used last week when a diesel locomotive salesman called into town. So, what's to become of the Outlaw? Kid Durango has high-tailed it for safety, it jest Myrtle his whorse ... but she's bin taught tricks.

Myrtle seeing all dem jackelopes with their antlers got an idea. She disguised herself as an elk & trotted thru the town. Now everyone knows elk is mighty good eatin' especially in sour-mash sauce, so them townfolk all chased after her. She ducks around back, like in Brokeback Mountain, & changes into a whorse. The mob rushes right past her & she sees the chance to get to the jail & rescue her owner. Will she be able to get the Outlaw out-a-jail?

Where is the stolen train with the nugget & gold-top DW's ?  
Where's Wanda ? Will the undertaker finally git the Outlaw ?  
And what about the broken hearts that will be left all over them San Juan's ? – will the girls allow the hung to hang ? Wot about the evidence to convict him? Oh dares jest too many unanswered question . . . .  
Guess wot ? You're all gana have ta find out in the nixt exciting episode in this fine newspapie, coor's things are still unfolding up on big Red. Don't miss the next issue coor's there'z always sumtin' hapnin' in Silverton & with the snows arrivin' we expect to have more news soon. Merry Christmas all from the SSSG.
