

# SILVERTON SUB-STANDARD

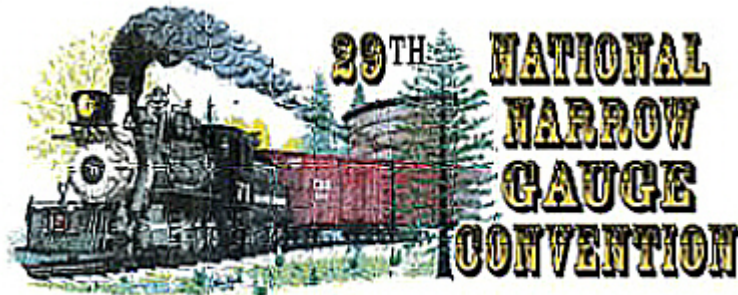

SATURDAY, MARCH 1949 **GAZETTE** 15 CENTS No. 59

By the Silverton Ace Reporter "Scoop" - SPECIAL PRE-NARROW GAUGE CONVENTION EDITION

# CORNVENTION COMES TO THE SPRINGS

All roads may lead to Rome but all the narrow gauge trains will be packed full of folk heading for Coloradie Springs where the 29<sup>th</sup> Cornvention is about to start. Entertainment, free beer, & tables full of treasures with our very own Madam Lash & her horn-tear-arge of lovely ladies will be providing "other" entertainmints for those with fat wallets & other things.

Pike's Peak Grog Railway, Cripple

Creek Critters, oh the list goes on & on with so much to happin'in.

Toyman will be giving demonstrations wearing his kilt as to how things were dun in the old passenger carriages & Madam sez she can show him how things were dun in them too!

Outlaw is showing folk how to set TNT charges in plaster walls to make escapes while Kid

Durango will be showing how to siphon-off the beer from tank cars & get yourself trashed.

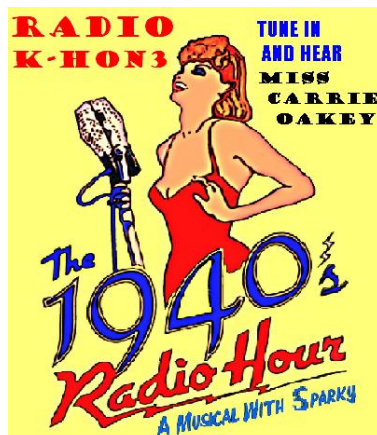

Free yellow sweat-shirts will be provided by Roody for those who exhaust themselves & he will be painting a nude of Madam as a door prize for sum lucky bloke to hang in his layout room.

Wow what a great prize! But it doesn't stop dare, no'sir'ee it ain't.

Mayor is bringing his module of the *Banister Brothers Railroad* with re-enactments of the famous Blackstone K27 grade test crash with the Brewer assisting.

Purgatory's Mudhen Muddels Inc will be selling Durango Wheat Beer decals & a whole lot of tantalizing narrow gauge treats & the new snowmen at discount prices - less fer gold dust.

The Preacher will be on hand to help those in need with readings from the Book of Gauge.

Scoop will be a guest Speaker with enlightening sounds from yesteryear along with the Silverton brakemen, Buck & Blake Stone to demonstrate how to convert an empty DW bottle into a caboose lamp using new fangled illumination.
