N.G. CORNVENTION SPECIAL - HON3 CHAT GANG TOGETHER!

Them sure knew we'z all were a-kummin' coors the DW's were stacked up in the refrigerators in the Doubletree Hotel & nice & cold too. Yes sir'ee, dare was thirteen original Silvertonians in attendance & a few new gang members joined up. Now dare was sum strange looks from folk as they eyeballed our unique HON3 Chat shirts with the famous DW colored logo embroidered on the front by Miss Sue Enstitch, a friend of the Mayor, but they were really drooling over them. Wednesday saw our gang members meeting at the bar of coors, & partaking of imbidement to get with the intoxicating atmosphere that only cums with a narrow gauge train cornvention. Madam Lash & the whore'll gang were busy upstairs in the hotel rooms & the gang from Red Mountain made it into Coloradie Springs on a flatcar with Pianoman pressing the ivories on the piano & Barkeep serving the musicians & girls from a bunch of DW kegs & a makeshift bar. Madam had her Parlor Car #69 on the tracks & ready for customers too plus some fancy lit-up cabooses worked the yards on the Mudules yard RR.

There are only TWO things a man can't resist . . .

a DW and another DW

This reporter has some weird & strange stories to tell about the goings-ons that took place & it seemed everyone was involved in sum sort of adventure, scandal or humorous escapade. First was the dinner at Chilli's where we all sat around trying to out-do the Outlaw's tales. Shop Chief was telling stories about his girls he'd bin workin' on, man, he must have sum secret vitamin or whore-moan treatment fer dat to keep going! Then Kid Durango was sprukin' bout some girl he trashed in Alamosa & left her by the tracks uncovered & worn-out, some sez she had gon too far with him! Mayor was frustrated & had some of his wires crossed but he cooled down to git his photo took coors sumone else bought the DW's at the Grende Opening of his new private railroad that has weeds growing everywhere & puddles of beer.

MAYOR'S MODULE

The gang gathered to celebrate the Mayor's private RR with DW's of coors !

Barkeep was his usual imbiberation of dialect & intoxication & was photographed leaving that well known establishment in Silverton with Brewer.

Madam Lash heard about them visitating the "other" pleasure parlor & has told this reporter she is going to give them both a darn good spanking & send then off to bed without anything! Strewth, we've seen wot Madam does to men who two-time her, its like ringbarking a tree !

Howsumever, Barkeep had more important duties to perform back in Durango at the DW Brewery. Yep, you guessed it, he had to taste-test The whore'll afternoon to make sure each & every vat contained no recycled beer coors that Outlaw will contaminate anything good !

We don't serve women here. You have to bring your own.

Everyone who enters this place makes us happy. Some when they arrive; some when they leave.

If I had known I was going to live this long, I would have taken better care of myself.

HERMOSA HILL & BANNISTER RR

Brewer leans over “that’ banister where the Blackstone K-27 plunged in the now infamous dizzarseter that brung us all together & started our “chat-gang”. Scoop & Barkeep check out the HH&B RR.

While Barkeer & Brewer were taste-testing at the “you nose where brewery” Scoop paid a visit to them wundafool folk at Soundtraxx-Blackstone where he was presented with a caboose to tinker with.

But they soon staggered in a little later and Brewer got to work inserting little “hisses”, no silly, he wasn’t passing wind, the smile on his face was figuring out the “clickety-clacks” ! Barkeep kept asking Jeff if there was any DW’s in the fridge & ended up in the boardroom with Steve & Jarrette with a bottle of Red Mountain Sour Mash.

Then the Rio Grande Southern took our fancy & a quick trip to Dolores with a couple of cases of DW’s coor’s they had overheating problems with the goose. Seems someone had a micro’sue in the electrical system but we flushed out the radiator & filled her up with pure DW coolant & she runs now, & gives of the sweetest smelling back-fires too!

The Richardson Gang

Of coors a narrow gauge cornvention is a perfect place to find Kid Durango & Outlaw both dressed in appropriate "black" with their prison numbers on their hats ! Madam recon's they were "casing the joint" or were looking to make an appointment with her girls or both? They were selling raffle tickets for a reefer full of DW but Shop Chief seen em down the railroad yards decal'in a bunch of UP reefers with DW logos that had recycled beer in em'! Who won the raffle ?

Meanwhile our little Spike was playing with his "Little Folk" on his new flatcar on Mayor's RR.

There was a bunch of Wicked Wanda's girls serving DW's to a mob of Red Mountain retrobrates & sum imposter playing the piano! Then out of nowhere appeared Zorro & the two settled back to telling tales of the old narrow gauge past. Seems yellow shirts were the order of the day at the convention plus chat shirts!

There was howsumever one very special yellow shirt that had a hand painting by Darryl which was worn with pride on several occasions & this reporter was the lucky re-sip-ient !

Yes—siree folks them yellow tee shirts were well known

And so was dem Koala Bears dat cum all the way from Oz & were hangin' from the nametags of all the famous "chatter's" who'd cum to meet up & recycle beer & whiskey.

But the udder gang was dare –

Yes—um, Madam Lash, Barkeep, Pianoman, Preacher, Oilman, Digger, Potlaw, Kid Durango, Mayor, Brewer, Spike, Scoop, Laura Norda, Sheriff, Prof, Toyman, Snappy, Amanda Love, why the whore'll gang was on—show & Sparky's Time Machine along with Wanda's beer car plus Radio K—HON3 & Madam's Parlor Car, ... why it was a full on celebration for the Little Folk too as much as it was for the imposters in human form!

There were 13 "HON3 Chat" gang members at the cornvention in Coloradie Springs & it sure was wundafool to meet up in person. There is nuttin but happy memories we all took away from out time together & our chat shirts were a real hit. Thanks to y'all for coming & sharing the fun & humor & like all things it comes to an end. But dare always sumtin hap'nin in Silverton :^)
