LONHORNS ARRIVE IN TOWN - GIRLS ELATED

The Cableguy was down stringing up the new telegraph wires when a message cum thru sayin a train with a bunch of longhorns was arriving. News sure travels fast around Silverton & when Collette O'Day & Gladys Overwit read the telegram they told all the girls down at Madam Lash's to prepare for something big! Holly Unlikleigh was concerned, she'd herd about longhorns before & didn't want to go but Dot Snice told her they are real well to do creatures.

The town herd the train whistle & the clunking of cars being switched as they arrived down at the stockyards to see the beasts being unloaded. Ooh, sez Madam, they really have long horns!

Sparky had Radio K-HON3 set up & was transmitting, Pianoman was on the back of the DW delivery truck & Zorro came to see what the fuss was all about? Brewer trod in a warm one while Barkeep walked the rail to be safe. The prize bull named 'Mr Chip' was here for the **San Juan County Fair** & was sure to win the 'Breast in Show' award according to Biff Wellington the

Hey sexy!

local butcher but Billy Aiken was cussin' coor's his prize cock was up against the bull then Xavier Breath sez her prize beaver was all dressed up & ready for the judge to see. Crikey, everyone had something to put in ! Why even Slim Chance thort his pet Cantilope cood win. All the girls wanted entries in any of the categories & Dixon Herr saw a chance to enter too. The whore'll town was going animal !

Meanwhile back at the corral, Brandon Kattel had the fire goin' with the hot iron putting the brand on Longhorns mob. He didn't want no trouble & having his mark on his cattle meant nobody would steal em unless theyz was stupid of coor's & there are sum real *ring-a-dings* herebout's that'll do it.

Bill Bord had herd milk was causin' folk to git some strange sintums so he place the warning here to read. Lars Roundup sez it's all a load of cockwallup coor's he's never seen anything on his milker but then she has a pretty pair of jugs anyhow. Russel Upp was getting' supper ready when he hears the Richardson Gang's orses' clip-cloppin' there ways to the stockyard to inspect the prize, bull that is.

Sheriff took one look at Outlaw & his trigger finger started to twitch real bad like. Was this jest a visit or was it sumtin' else on the Outlaw's mind time will tell 'spose.

Toyman came down to say howdy to Longhorn who always has his rope ready to lasso any young heffer thinkin' to stray, why Madam tells she learnt sum new nots from his teaching her!

The Cableguy was up the ladder still tryin' to run the wires when 'Cow-camp-Kate' joined him to ask if he'd cum & do a plug-in job for her at home. She's the kind of girl who climbed the ladder of success wrong by wrong.

Jest then Mr Chip was startled when spooked by Holly Ween in her red nitedress. He clear jumped over Outlaws new Cadillac & headed for town with Kid Durango giving chase with Zorro.

All was well tho, the beast had smelt the flavorsum scent of Spikes moonshine hidden at the back of Cutz's barber shop & had a jug in his mouth when they arrived.

Shop Chief was inside getting his mane trimmed & on seeing the bull find Spike's moonshine swiftly grabbed a jug.

Pianoman struck up "Don't fence me in" while Brandon Iron herded the longhorns OK corralin' em fer the night. The County Fair looks like bee'in a real doosy this year with clowns & lots of fun butt as y'all nose diss, dat dare always sumtin hap'nin in Silverton & that no bull !
